

## Pronoun Project

Create a slideshow presentation that includes all 5 types of pronouns that we learned this session.

Slide 1: Title of project. Your name. Date.

Slide 2: A chart of all of the types of pronouns. Each type of pronoun should be one color. **Subject Pronouns**, **Object Pronouns**, **Demonstrative Pronouns**, **Possessive Pronouns**, **Adjective Possessive Pronouns**. (Use page 47 & 16 of FFEG.)

Slide 3: Include a picture of **yourself** (could be a Memoji, Bitmoji, or AI) doing something or being somewhere. Then write a description of that photo using 3 of the 5 pronouns. Ex.

**This** is **me**. **I** was going to work. **I** have **my** purse.

Slide 4: Include a picture of **yourself with another person** or group of people (could be a Memoji, Bitmoji, or AI) doing something or being somewhere. Then write a description of that photo using 3 of the 5 pronouns. Ex.

**We** are dancing. **My** husband and **I** like to dance. **I** **have** fun dancing with **him**.

Slide 5: Include a picture of a **group of people** doing something or being somewhere. Then write a description of that photo using 3 of the 5 pronouns.

Slide 6: Include a **picture of a person (male or female)** doing something or being somewhere. Then write a description of that photo using 3 of the 5 pronouns.
