Dear Community Member,

The Green School of Baltimore is a K-5 public charter elementary school founded by Baltimore City Public School teachers committed to providing a quality education and nurturing environment for the children of Baltimore City. The school's goals are to improve student achievement and increase stewardship for the environment through *Experiential Environmental Education*.

On *Saturday, April 5th, 2025* The Green School of Baltimore's Fundraising Committee is hosting the *17th Annual Green Gala and Silent Auction*, a social event with a silent auction to benefit and support the school's current and future goals of excellence in education. During this financially challenging time for all Baltimore City Public Schools, The Green School uses proceeds raised from the Green Gala each year to fill the gap in its annual budget, while improving the school campus and enriching our students' experiences in arts, culture, and the environment while partnering with community stakeholders, creatives, and organizations.

To ensure that we meet our goals, we need the support of individuals and local businesses and organizations like yours.

We are asking you for a donation of an item, a service or a gift certificate for our silent auction or a food or drink item to be served at our gala. Your business will be publicized through our promotional platforms citywide and with The Green School community on the Gala website: <http://www.thegreenschoolofbaltimore.org/green-gala/>.

Please fill out the online donation form to provide details about donations to the silent auction:

<https://forms.gle/RA4fxxNPN8zmdimX6>

Your reply is requested by March 14th, 2025. We will provide a letter to you, serving as a donation receipt. (The GSB Tax ID number is: 76-075-1035).

Thank you for your generous support of our Baltimore City Public School.

Sincerely,

The Green Gala Fundraising Committee
