

Hey there!

Thanks so much for signing up for our group! This group is going to be a ton of fun. Our prayer is that you grow in your faith and build friendships through this group. We'll start at 6:30 with some time of hanging out and munching on some snacks and then we'll get into discussing the topic and passage of scripture for the week. Whether you've been serving Jesus for decades or this is something totally new to you, all are welcome, respected and have a voice in this group. Please let us know if you have any questions!

See you on Tuesday!
