Registered Dental Assistant (RDA)

Part-Time or Full-Time | Rimbey, Alberta | Monday to Friday

Looking for a dental office where you can enjoy the people you work with, grow your skills, and still have a life outside of work?

Nordstrom Dental is looking for a Registered Dental Assistant to join our close-knit team in Rimbey.

We're a modern, fully digital practice with loyal patients, great technology, and a team that genuinely looks out for each other. We care about providing excellent dentistry, but we also believe that work-life balance matters. You should be able to enjoy your career and still have time for everything that makes life good outside the office.

What You'll Love Here

- Part-time or full-time flexibility
- Monday to Friday with no evenings or weekends
- Competitive compensation based on experience and completed modules
- Modern technology including CBCT, iTero, CEREC, and more
- A friendly, supportive team that is always willing to help
- An established patient base with plenty of opportunity to build relationships
- Rimbey location with easy access to lakes, parks, and outdoor recreation

What You'll Bring

- Registered Dental Assistant (RDA) certification in Alberta
- Experience with general dental assisting, including diagnostic imaging, restorative procedures, and sterilization
- Orthodontic module is an asset
- Strong communication skills
- A positive, dependable, team-oriented attitude
- Someone who genuinely cares about patients and takes pride in their work

New Grad? Absolutely Apply.

You don’t need years of experience to be part of our team.

If you’re a new RDA who is eager to learn, personable, dependable, and excited to build your career, we’d love to meet you. We’re happy to support someone who is motivated to grow.

Want to Meet Us First?

A job posting can only tell you so much.

Come tour the office, meet the team, or grab a coffee with us for a casual, no-obligation conversation. We’re also open to temporary opportunities if you’d like to try things out before making a commitment.

No pressure. Just a chance for both of us to see if we’re a good fit.

Interested?

Send your resume to **careers@vitadental.ca**

We’d love to meet you.
