

Subject line: Just wanted to bring this back to your attention

Hey Korosh!

Hope you're doing well. Just wanted to follow up on my last email about your Tik Tok and website. I gotta say, your videos are amazing they completely changed my perspective on how to manage my finances.

After going through your website, I noticed a few things that I think could be improved to help you stay ahead of your competition. I'm passionate about helping people grow their online presence and I believe I can help you with that as a starter ill attach below something I think could help you get started.

So, what do you think? Want to hop on a Zoom call and chat more about how we can take your platform to the next level? Just let me know what works best for you.
Looking forward to hearing back from you!
