

Why You Should Vote Republican

Just the top 7 reasons. There are plenty more.

1. DEMOCRATS WANT TO REPLACE OUR CONSTITUTION WITH COMMUNISM.

The DSA platform states that in writing.

Add this:

<https://www.dailysignal.com/2026/08/25/dsa-our-goal-is-communism-the-daily-signal/>

Note: Polls show **60%-70% of Democrats back the DSA**, the results of the primaries confirm that, and even **Chuck Schumer caved and endorsed DSA candidates**.

Even so-called "moderate" Dem's support changing the Constitution.

2. DEM STATES HAVE RAMPANT MASSIVE FRAUD, HIGHEST TAXES, HIGHEST CRIME.

\$500 Billion+ in fraud already exposed, and that's just the start. \$1Trillion expected by year end. Criminal charges galore, many already found guilty. Almost all in Democrat states. Dem's rob children, the poor and needy they claim to be fighting for. These stolen \$\$\$\$ are a big cause of inflation and increased debt.

Then there's the other types of fraud:

Like **RussiaGate** (An actual insurrection, paid for by the DNC and Hillary. Why aren't they in jail?).

Or the Dem's non-existent California SF to LA bullet train that they already spent \$20 Billion on - without one foot of track laid in 20 years. Originally scheduled for completion by 2018. Now, they say SF-LA impossible, they'll do just Merced to Bakersfield (nowhere to nowhere), by 2034(!) and want \$120 Billion more for that!

I have 100 more such examples.

Dem states have the highest crime, especially shootings and robberies.

Yet, overall nationwide crime is the lowest in 70 years under Trump!

Lowest homicides in history! Cartels demolished, Fentanyl traffic crushed 56% (Biden's open borders imported Fentanyl).

Trump cleaned up DC, sent National Guard, so crimes fell 50%! Now, we can be proud of our capital instead of ashamed.

3. DEM'S SUPPORT MASSIVE ILLEGAL IMMIGRATION TO GET VOTES.

Since they can't get enough legal votes, Biden and Dem's imported 12 million (Biden's version) to 20 million (reality) illegals, to become future Democrats. All expenses paid (flights, medical, housing & more) averaging \$72,000 per illegal, totaling almost \$1 Trillion cost to taxpayers, plus ongoing social services that they did not pay into. What does that do to future inflation, \$40 Trillion national debt? That's why the exodus from Dem Sanctuary cities going broke, raising taxes. (DeSantis billboard: "Mamdani is Florida's real estate agent").

Republicans have cut illegal crossings to near zero. 2.6 million+ illegal aliens removed (including 650,000 arrests and 400,000 convicted criminals) + 2 million self-deportations induced by ending incentives.

Located and rescued over 350,000 migrant children Biden had as missing. Many cases of the same "sponsor" (fake relative) for 10-50 kids. Think child trafficking.

Integration? You jest. Yes, many illegals are decent, just come for economic reasons. But, unlike most *legal* immigrants, they do not understand, or even try to understand, American culture, values, system of government and certainly not our Constitution and its emphasis on individual freedom with which comes responsibility. I live in a huge (400 unit), fancy apartment complex where 90% speak Spanish or Portugese and came here in the last few years, all are young, quite a few pregnant and or recent childbirth to future citizens. I see this every day. The complex has the best facilities in the greater Salt Lake City area, pet stations everywhere, and yet these pigs leave dog poo everywhere, dogs pee in the elevators, trash everywhere, my car in the underground parking broken into twice in one year. Without gov't handouts, these migrants could not afford this expensive place. This luxury complex is being trashed, and the owners are forced to rent to them by anti-discrimination laws. I know several decent American tenants who have moved out or plan to. I'm leaving when my lease expires. And this is in Utah – a Red State!

4. USA WAS FOUNDED ON "LEAST GOVERNMENT". DEM'S KEEP WANTING BIGGER GOVERNMENTS. (More \$trillions to steal from).

Reagan: *"The most dangerous words in the world are, I am from the government and I'm here to help you".*

How would you like the government to "utilize" your bank deposits (what we'd call stealing)?
<https://www.zerohedge.com/economics/europes-von-der-leyen-wants-put-private-bank-deposits-under-state-direction>

Yup, that's Socialist Europe's plan, coming to you if you vote Socialist.

Don't laugh, they did it already in Cyprus remember? (And in other Socialist countries). The revolutionary Sandinistas stole Nicaragua's social security, resulting in yet another revolution

currently going on. (Socialists have never ending revolutions to replace current dictator-crooks with new dictator-crooks).

How about this recent example out of 1000 I can give you:

Do you know *anything* government does well?!

There are millions of specialties within specialties of the innumerable fields we have today. And these days, all are changing at lightning speed. What's the latest today is obsolete next year. Heck experts in their fields can't keep up with their own specialties. Even if we fantasize about having a well-meaning, honest central government, how can it keep up with all these? Yet, they insist on overseeing everything. That is a guaranteed formula for disaster. I have 1000 real world examples.

Plus, everything depends on so many factors from location to size, climate, environment, local expertise, local needs etc. etc.. What works for one is a disaster for another. Farming is an outstanding example. A central government setting one-size-fits-all rules, or *any* rules, is a guaranteed disaster.

Big government is killing the small guys in every industry from farming to banking. Go ask any small farmer, rancher, banker, grocery store, miner etc..

5. **REAL "AFFORDABILITY". Health and Wealth.**

What did each party REALLY do for affordability, health and wealth?

Inflation under Biden averaged **4.9%** and was as high as 9.1%. Under Trump 2.0 it has averaged **2.9%** and was 2.46% in Trump 1.0. Obviously, prices are higher now, as they are every year, but **they were caused by Biden's inflation.** BTW, when Biden took office in 2020 after Trump 1.0, inflation was just 1.4%.

USA is now the world's oil King for the first time in history. With Venezuela deal, USA will never have an oil problem. (Venezuela wins too. Their 2026 budget is \$26B. Now they'll get **\$206B** in taxes + jobs galore forever). No more oil for China, Cuba & communists – all hammered, economies in shambles!

\$10 Trillion in reshored company investments thus guaranteeing USA jobs for decades to come. China hammered!

The economy is booming by any metric you choose: Stock market at records, jobs at records, trade deficit best since 1998....all while communist countries (China, Russia, Cuba..) and the EU are drowning. Under Trump and the Republicans, **USA has the best economy of any country on this planet.**

Trump Accounts launched for newborns with federal seed funding + corporate matching. For the first time in history, the children of the poor have a guaranteed future! (By contrast the Dem's impoverished the poor).

https://www.coffeeandcovid.com/p/its-all-about-context-thursday-september?publication_id=463409&post_id=214017806&isFreemail=true&r=12sf00&triedRedirect=true

Trump 1.0 alone did more for blacks than Obama + Biden combined. \$\$\$ for black colleges, jobs. Largest blue collar job growth in 60 years.

MAHA reforms launched: Presidential Commission established; **Most Favored Nation drug pricing with 16+ major pharma companies**; 8 artificial food dyes phased out (40%+ industry compliance); Whole Milk for Healthy Kids Act; marijuana reclassified to Schedule III; childhood vaccine schedule revised from 72 to 11 consensus shots; expanded IVF access; \$50M autism initiative; new whole-foods dietary guidelines.

6. **"FREE AND FAIR" ELECTIONS. (Mantra of the Dem's and Biden in 2020)**

Every poll shows that by far, the majority of Americans want Voter ID.

You need ID for everything, especially those on the dole, so why not for elections? Every fraudulent vote cancels a legal citizen's vote. And yet every single Dem voted against Voter ID (SAVE Act). What more proof every Democrat wants fraud?

If there are eligible folk without ID, why don't the Dem's produce them? Heck, get them ID? A Republican even put a bill to allocate funds for that. Why haven't the Dem's supported that bill?

In Minnesota, anybody can "vouch" for 8 people as eligible voters, no doc's needed.

<https://secure.anedot.com/okeefemediagroup/omg-minnesota-vouching-loop-hole-mb-popa?amount=35>

This is deliberate, blatant election fraud on a massive scale. **Same in California** where a gym membership is sufficient to be a voter.

Michigan's Dem admin is committing election fraud. Right now.

7. **"NO KINGS". FREEDOM FROM CBDC (Central Bank Digital Currency), MANDATES ETC..**

The UN is pushing CBDC, and some countries (China, some EU) are already on board. **CBDC is programmable money**, so they can track every transaction you make, not allow you to spend on certain items, even cancel money in your bank. *Dem's are 100% for CBDC (guess why), Biden wrote the proposal to the UN.*

Trump has stated NO CBDC while he is in charge.

Mandates: Debating Trump, Biden declared, “No mandates under my Presidency. It is un-American.” And then mandated the unproven VAXX that gave millions myocarditis, cancer & 50 other comorbidities. **Biden and the CDC, knew full well at the time, that Biden’s claims on TV about the vaccine, were lies.**

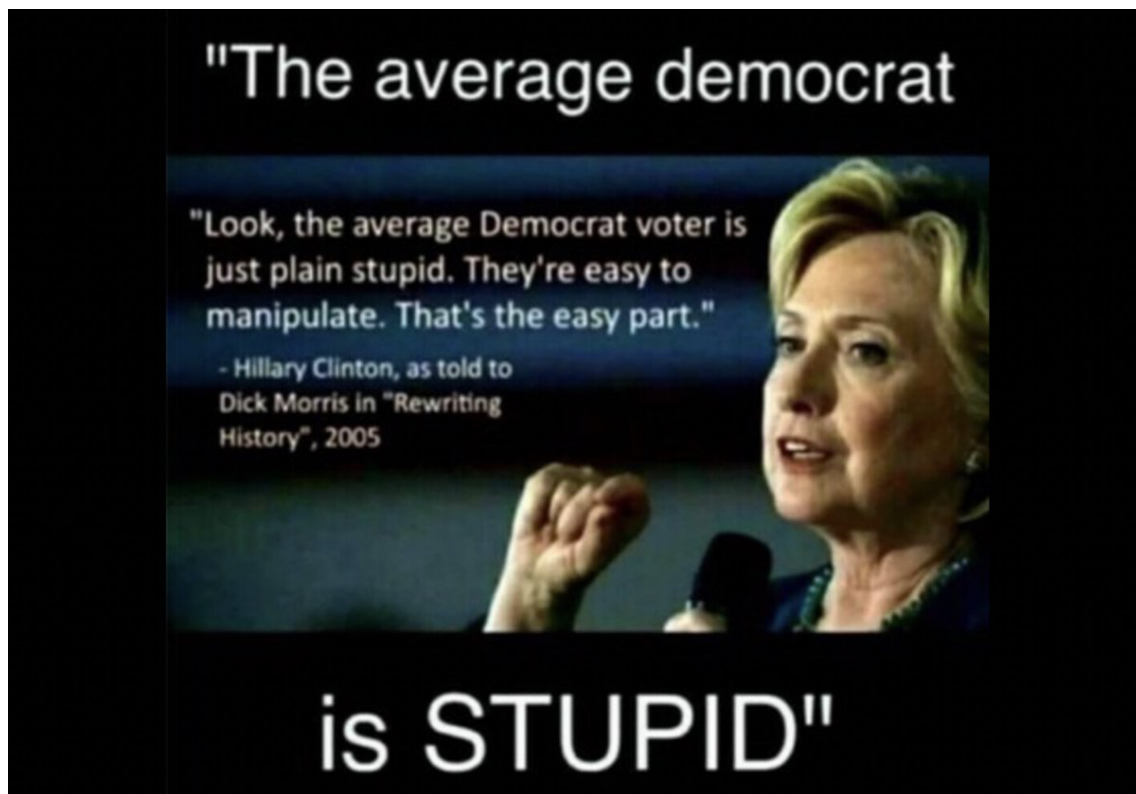

“NO KINGS”: Dem’s hold “No Kings” protests (paid protestors), call Trump Hitler and fascist.

REALLY? Biden and the Dem’s trashed the Amendments, censored opposition (Hunter’s laptop weeks before election), held cheat sheet at press conferences and took questions from left wing reporters only, mandated unproven “vaccines”, manufactured fraudulent reports (RussiaGate, impeachments), raided home of ex-President for doc’s (found nothing) while Biden had thousands himself, +++++.

Trump has never censored, let’s left wing reporters attack him at press conferences everywhere, no mandates, no fraudulent reports.

Since when are Kings elected by popular vote? Twice!
