August 18 2023

Dear Larsen Families,

On behalf of our Ansgar Larsen Elementary School Staff, I would like to welcome you to a new school year. I would also like to introduce myself as your Principal. My name is Evelyn Jimenez and I am honored to be part of the Larsen Family. I began my career at Sunkist School as a paraprofessional, a Kindergarten Teacher for 20 years here at Larsen, Assistant Principal at Haycox Elementary. It is with great pleasure to be starting my second year here at Larsen. I am looking forward to meeting all of you and reuniting with some of you.

We are very excited to begin this new year! Our primary goals are to make sure every student feels safe, welcome, cared for and connected to our Larsen Family. We understand our responsibility to support your children as they develop a love of learning, social emotional wellbeing, and their academic success. As well as strengthening the partnership between parents and school.

Our school is still under construction putting in a new Heating and Ventilating Air Conditioning in all rooms. Now that school will be in session the majority of the work will be done after school.

One of the most important goals is for us to work together to keep all students, staff and community safe as we enter and exit campus. We ask that during morning and afternoon Drop Off and Pick up, **you do not park in the roundabout** in front or back of the school. The Parking lots are for staff and individuals who need accessible parking only except for a few labeled visitors parking spots. Remember to use crosswalks and sidewalks when walking to campus. Please be respectful to staff as we work together to enforce safety for all. Thank you in advance for making our school safety a priority!

We are happy to welcome our families back on campus! Although our campus gates are closed for safety throughout the year, we would like to invite you to accompany your child on Tuesday, August 22, Wednesday August 23, Thursday, August 24 and Friday, August 25 to their assigned
