

JUNIOR RANGER
AWARD JOURNAL

Junior Ranger Competencies

 <p>Develop knowledge of key features of your site</p>	 <p>Conduct a site survey</p>	 <p>Carry out a practical task</p>	 <p>Show an understanding of local access issues (including S OAC)</p>
 <p>Use of basic navigation skills</p>	 <p>Assist in dealing with an emergency situation, including basic First Aid</p>	 <p>Assist in a Ranger Service activity, event or display for the public</p>	 <p>Create positive working relationships with others</p>

How to use this journal

Use this journal to record evidence of your progress in the form of writing, drawings, photos, certificates, or any other way you can demonstrate that achievement. Keep track of your progress by filling in the competency progress table on the following pages.

Once you have completed the main competencies you can present your journal to your Junior Ranger leader for assessment. When successful, you will then receive your SCRA Junior Ranger Award certificate and badge.

If you are aged 14-18 you can also complete an extra Leadership competency once you have achieved the initial Award. There is space at the back of this journal to record your progress with this.

Leadership

If you are aged 14-18 and have already completed the main Award you can choose to take on the leadership competency. To complete it you will need to speak to your Junior Ranger Award leader and then demonstrate that you can:

- Manage resources safely and effectively
 - Give clear instructions
 - Focus on positive experience for group more than self
 - Identify what worked well and what could be improved for self, as leader and activity
 - Use mentoring skills to help newer Junior Rangers
-
- **Be an active ambassador for Junior Rangers**

Enjoy Scotland's outdoors responsibly

Everyone has the right to be on most land and inland water providing they act responsibly. Your access rights and responsibilities are explained fully in the Scottish Outdoor Access Code.

Whether you're enjoying the outdoors or working outdoors, the key things are to:

- **take responsibility for your own actions**
- **respect the interests of other people**
- **care for the environment.**

Visit outdooraccess-scotland.scot or contact your local NatureScot office.
