Parking decals will be sold at Southside High School in the attendance office **for \$20.00**. To purchase a parking decal, students must present their driver's license and proof of insurance for the vehicle they will be driving to SHS.

Learners' Permits will not be accepted.

****All outstanding debts to the school must be paid before a parking permit will be issued.****

Driving to school is a privilege extended to students who meet the guidelines/expectations outlined below. Violations of parking regulations will result in fines, referrals, suspension of parking privileges, and, in some cases, school suspension.

- It is the student's responsibility to arrive at school on time.
- Students will obey all traffic signals, signs, road lines, and the directions of administrators and duty personnel in the parking lot. Failure to do so will result in fines, referrals, and/or the loss of parking privileges for the remainder of the year.
- The parking lot speed limit is **5 MPH**.
- Parking decals are to be placed on the inside of the windshield in the left corner near the driver's side windshield wiper. If a student loses a decal, the cost of a replacement will be **\$20.00. NO EXCEPTIONS!**
- **Permits are non-transferable.** Only the student who registers for the permit may use it. There will be NO refund if the student leaves school for any reason during the year or if their privilege is suspended.
- Students are **only** allowed to park in their assigned parking spot or parking row. Parking tickets will be issued for parking in an unassigned spot/row. Parking tickets must be paid to the Attendance Clerk within 3 school days of receiving the ticket. Unpaid parking tickets will be applied to student debt.
- Parking in other lots will result in a parking violation. Students may not park in the bus loop lot between the hours of 7:30 a.m. and 4:30 pm.
- If another car is parked in your space, park in an unassigned spot (rows E-J) and contact the Attendance Clerk or School Administrator.
- Students may not return to their vehicles during the school day without administrative approval.
- Any vehicle on school grounds is subject to search by the administration at any time.
- Students are not allowed to loiter in the parking lot after dismissal.
- SHS is not responsible for theft or vandalism. No money or valuables should be left visible.

Special Considerations:

- Out of Service Vehicle (wrecked, sold, or traded) - \$5.00 replacement fee for 2nd vehicle
- Temporary Out of Service Vehicle - One week grace period; \$5.00 replacement fee applies
- Broken Windshield - \$5.00 replacement fee
- **After the seventh (7th) tardy to the first block class, students will lose their parking/driving privileges for the remainder of the semester. No refunds will be issued.**
