University Grants Commission Application for Approval of New External Degree Programmes or major revisions* to existing External Degree Programmes (Revised 1 August 2020)

Check List for Proponent									
	D: e	Dat Mo e nth		Year					
Proposal submission									
Date of first submission to QAC-UGC									
Date of submission of amended proposal									
Final submission to UGC Academic Affairs									
Hard copy									
Soft copy									

Type of Proposal (Please mark $\sqrt{\text{accordingly}}$) – by Proponent

External Degree Programmes						
а	Proposal to introduce a new external degree programme					
b	Proposal to introduce a new specialization area in an existing programme					
С	Proposal to rename the existing degree					
d	Proposal to restructure the existing curriculum					
е	Others (Specify)					

University approvals									
	D e	at	M	_	Ye	ear			
Final approval by Faculty Board									
Concurrence by the Management Committee for the Centre for external degree programmes									
Final approval by the University Senate									
Final approval by the University Council									

^{*} Major revisions include the following:

- Changing the structure of the program, including duration
- Changing program learning outcomes or graduate profile
- Adding or removing one or more courses
- Changes to the total credits of the program
- Changes to SLQF level
- Adding or removing lateral entry and early exit possibilities
- Deleting the complete program
- Inclusion of provision for credit sharing with another local/foreign institution

Please email the completed application with all signatures and required annexures to dqac@ugc.ac.lk, and forward one hard copy to the following:

Director, Quality Assurance Council of the UGC 94/10, Ananda Rajakaruna Mawatha, Colombo 08

After receiving clearance from the QAC by email, the university will be required to submit the final version of the amended proposal, in hard copy, to the Director QAC, at the following address, so that it can be forwarded to the Academic Affairs division of the UGC, with a hard copy of the final summary report granting clearance.

Annex I: Background to the programme

Evidence must be presented to show that the University/ Faculty /Department proposing the new degree programme has the capacity to offer the proposed programme. This section should include information regarding the number of Faculties, Departments, Study Programmes and UGC approved Intake for the respective internal undergraduate degree programmes and actual numbers enrolled over the past 3 years.

- Existing Faculties in the University
- Departments of Study in the Faculty offering the proposed programme
- Details of full-time internal degree programmes offered by the Faculty, staff cadres and the number of students admitted to each programme in the past 3 years.

	Faculty: E.g. Management										
	Department	Full time undergraduate			staff int cadr		Number of students admitted				
		programmes	#	*	**	***	Year 1 (e.g. 2017)	Year 2 (e.g. 2018)	Year 3 (e.g. 2019)		
1	Eg. Business Management	E.g. Bachelor of Science Honours in Business Management									

^{#,} Number of approved cadre; *, Number of senior professors, associate professors or senior lecturers with a doctorate; **, Number of senior lecturers with masters; ***, Number of probationary lecturers.

Annex II: Centre / Unit responsible for coordinating external degree programmes

- Name of the Centre / Unit that coordinates external degree programmes offered by the university
- Organizational structure approved by the Governing Council (inclusive of administrative structure, academic administrative procedures, general and financial management procedures)
- Staff cadres in Centre/Unit
- 2 Attach By-Laws or University Regulations related to the Centre/Unit
- ② Whether the Centre/Unit has an Internal Quality Assurance Unit supervising its functions, and if Yes, provide details

Annex III. Needs analysis and justification

A detailed report must be provided with quantitative and qualitative data derived from a labour market survey (s) conducted <u>not more than 5 years prior</u> to submission of the application.

The current and future demand for the degree programme proposed must be clearly indicated.

In making assumptions with respect to the current and projected labour market demand and supply, the output from internal and external degree programmes offered by the proposing university/institute as well as by other universities/institutes must be taken into consideration.

Provide a brief account of other study programmes in Sri Lanka, that produce similar qualification holders.

Annex IV: Course Specifications

<u>Each</u> course unit in the proposed programme should be described in the format given below

Semester:									
Course Code:									
Course Name:									
Credit Value ¹ :									
Core/Optional:									
Pre-requisites:									
Course Aim:									
Intended Learning Out (ILOs should be written with the course unit) 2 2	(ILOs should be written with action verbs, with a description of the student will be able to do on completion of the course unit) ? ? ? ?								
Time allocation ² Theory (Hourly Breakdown)			Practical	Practical Independent Learning		Assessment			
Course Content: (Main topics, Sub topics)									
Teaching /Learning Act Each course unit must have		WO S	essions that are av	railai	ble online				
Assessment Strategy: a	allocation of m	arks	s and assessmer	nt c	omponents				
Continuous Assessmer	nt:	Fin	al Assessment:			%			
Details: quizzes %, mid-to % (specify)			Theory (%)	Pra	actical (%)	Other (%)(specify)			
%	%								
Recommended Readin 2 2	g:			l					

 $^{^{1}}$ Credits values of non-standard/non-conventional delivery methods should be defined at the beginning of the document

Page 12

² This should be provided as hours assigned for lectures, practical classes or independent learning, such that a total of 50 notional hours of learning are required for each credit. For industrial training and research projects, one credit requires 100 notional hours of learning.

Annex V: Programme Delivery and Learner Support System

Describe the teaching learning methods that will be used for delivery of the programme of study, and the learning resources that will be available to support student learning.

The learning activities must be student-centred, and include opportunities for blended learning that makes judicious use of ICT based tools.

Each course unit <u>must</u> have at least one or two sessions that are available online

Annex VI: Programme Assessment Procedure/Rules and Regulations

(The following should be given in detail with any other relevant information)

- 1. Maximum duration allowed to complete the program
- 2. Requirements of pre-requisites to take end-course examinations
- 3. Any barriers if imposed as pre-requisites, to take courses in subsequent levels
- 4. Any minimum requirements to sit for formative and summative examinations
- 5. Scheme of Grading (Grades/Grade Points/ Marks ranges)
- 6. Minimum grade which is considered as pass
- 7. Calculation of Grade Point Average (GPA)
- 8. Contribution from each year (level) of study to cumulative GPA
- 9. Contribution by in-plant training etc. to final GPA
- 10. Possibility of repeat examinations
- 11. Rules and regulations on exceptions
- 12. Rules and regulations on attendance for day-school
- 13. Rules and regulations on dealing with absenteeism at examinations and letters of excuses
- 14. Requirements in relation to pertinent payments
- 15. Requirements for award of the degree
- 16. Requirements for award of classes
- 17. Reference to any overarching university rules and regulations
