

Privacy Policy

Your privacy is important

Use of collected user information

We use the collected information solely for the purpose of tracking bugs, improving the Application functionality and enhancing user experience.

We also use Appodeal SDK for advertisements in our applications.

Personal Information

We do not collect, store or use any personal information while you visit, download or upgrade our products.

We may use personal information submitted by you only for the following purposes: help us develop, deliver, and improve our products and services and supply higher quality service; manage online surveys and other activities you've participated in.

In the following circumstances, we may disclose your personal information according to your wish or regulations by law:

- Your prior permission;
- By the applicable law within or outside your country of residence, legal process, litigation requests;
- By requests from public and governmental authorities;
- To protect our legal rights and interests.

Sensitive Information

We ask that you not send us, and you not disclose, any sensitive Personal Information (e.g., information related to racial or ethnic origin, political opinions, religion or other beliefs, health, sexual orientation, criminal background or membership in past organizations, including trade union memberships) on or through an Application, the Services or the Site or otherwise to us.

Children

We do not provide service focus on Children. If you are under 13, you may use our application or services when you are with a parent or guardian.

Modifications to this privacy

This Privacy Policy may be revised periodically. Notices will be sent to users to advise the changes.

CONTACTING US / REPORTING VIOLATIONS

If you have any questions or comments about this Policy or our privacy practices, or to report any violations of the Policy or abuse of an Application, please contact us at.
