

*Fingerless gloves à la 1984, I'm SURE.*

Gauge is dependent on yarn you want to use. I used a cotton yarn for a 2,5 mm hook, but used 2,3 mm hook.

**Foundation chain (FC):** 45 sc, slip stich in first sc to form a ring that fits rather smugly to your wrist. If you use thicker or thinner yarn you may need to adjust number of sc in FC - just make sure you can divide the number of st with 4.

**Round 1:** sc i second chain from hook (44)

**round 2-4:** sc i blo (44)

**Rd 5:** chain 3 (first dch), dch in next two sc (work both loops), (ch 1, skip 1 sc, dch in next three sc)\* repeat till end of round, ch 1, slc in third stitch of beginning chain 3.

**Rd 6.** chain 3, sc in next chain-1 space, continously all around, last chain 3 slip stitch in rd 4 first chain 3-sp

**Round 7-9:** repeat round 5,6,5 only use chain-3 space for 3 dch in round 7 and 9

**Round 10-13:** ch 1, sc i blo all around. Join each round with slip stitch.

**Round 14-21:** repeat rd 5 and 6

**Round 22:** chain 3 (first trch), trch in next two sc, (ch 1 skip 1 sc trch in next three sc)\*, repeat till end of round, ch 1, slc in third stitch of beginning chain 3.

**Round 23:** chain 3, sc in next chain-1 space, continously all around, last chain 3 slip stitch in first chain 3-sp of current round.

**Round 24-**repeat rd 22

**Round 25,** (chain 3, sc in next chain-1 space) 7 times, now to make thumb hole chain 8, skip next 1-chain space, sc in next ch-1 space, continue rest of of round with () and finish round with sl stitch in first chain 3-sp of current round.

**Round 26:** chain 3, (first trch), trch in next two sc, (ch 1 skip 1 sc trch in next three sc)\* repeat until ch-8 sp and ch 1, make 3 trch ch 1 3 trch in ch 8 sp, ch 1, 3 trch in next ch 1 sp, continue rest of round with () finish round with sl stitch in beginnng chain 3.

**Optional:** Finish with final round by ch 1, sc in every ch-1-space and trch all around for stability. I didn't with these though.

*And now: go bananas with the paraphernalia you have treasured from that year you saw Repo Man the first time. Or wear as is. You can also repeat Rnd 5-6-5 and hold the trch unti a later round if you want a longer glove.*
