

9-Adult Activity	My Programs or Majors
Standard	CAREER AWARENESS AND PREPARATION
Badge Awarded/  I Statement	Preparation for Careers   I have chosen post-secondary programs/majors that align to my career choice.
Time duration	60 minutes or more
Objective	Discover how flipping the college decision-making paradigm will help students complete their education plan and find jobs.
Overview	Students will watch a video on flipping the way students make choices about college, major and career. They will then be able to research programs and majors that would help prepare them for their career goal.
Key Points	• Consider your career path first. • Choose a major or training program second. • Finally, decide on a college or education plan to acquire the skills.
Gathering Your Thoughts Questions	Describe how your choice of programs/majors aligns with your career goal(s). What are the key factors that you considered when making these choices?
Final Output	3 program or major choices Gathering your thoughts answers.
