

Name: _____ Student Number: _____

"Have You Ever" by S Club 7

- Choose the correct word in the [-- / --]

Sometimes it's [wrong / long] to walk away, though you think it's [brother / over]

Knowing there's so much more to say

Suddenly the moment's [alone / gone]

And all your [dreams / things] are upside down

And you just *wanna change the way the world goes [round / along] (*want to)

CHORUS

Tell me, have you [ever / never] loved and lost somebody?

Wished there was a chance to say I'm sorry

Can't you see, that's the way I [think / feel] about you and me, Baby

Have you ever felt your heart was [making / breaking]

Lookin' down the road you [should / would] be taking

I should know, 'cos I loved and lost the [day / way] I let you go

Can't help but think that this is [wrong / alone], we should be together

Back in your arms where I [want / belong]

Now I've finally realised it was [forever / never] that I've found

I'd give it all to change the way the world goes [round / along]

CHORUS

I really *wanna hear you say that you know just how it [frees / feels] (*want to)

To have it all and let it slip [away / way], can't you see

Even though the moment's [alone / gone], I'm still holding on somehow

Wishing I could change the way the world goes [round / along]

Tell me, have you [ever / never] loved and lost somebody?

Wished there was a chance to say I'm sorry

Can't you see, that's the way I [think / feel] about you and me, Baby

Have you ever felt your heart was [making / breaking]

Lookin' down the road you [should / would] be taking

I should know, 'cos I loved and lost the [day / way] I let

Yes I loved and lost the day I let

Yes I loved and lost the day I let you go.
