Privacy Policy

Data

The following Privacy Policy applies to all games of OldDev Studio as well as all related services.

We use technologies like cookies (small files stored by your browser), web beacons, or unique device identifiers to anonymously identify your computer or device so we can deliver a better experience. Our systems also log information like your browser, operating system and IP address.

Our systems are not designed to associate personal information with your activities (such as the pages you view or things you click on or search for).

We do not knowingly contact or collect personal information from children under 13. If you believe we have inadvertently collected such information, please contact us so we can promptly obtain parental consent or remove the information.

Sharing

We generally do not share personally identifiable information (such as name, address, email or phone) with other companies unless approved by you.

Ad Tracking

Ad companies may use and collect anonymous data about your interests to customize content and advertising here and in other sites and applications. Interest and location data may be linked to your device, but is not linked to your identity. Click to see company privacy policies and opt-out choices:

- Google: https://www.google.com/intl/en/policies/privacy/

Vendors

Analytics companies may access anonymous data (such as your IP address or device ID) to help us understand how our services are used. They use this data solely on our behalf. They do not share it except in aggregate form; no data is shared as to any individual user. Click to see company privacy policies that govern their use of data.

Security

We take reasonable steps to secure your personally identifiable information against unauthorized access or disclosure. We encrypt transmission of data on pages where you

provide payment information. However, no security or encryption method can be guaranteed to protect information from hackers or human error.

Information we collect may be stored or processed on computers located in any country where we do business.

Location

To customize our services for you, we and our partners may collect, use, and share precise location data, including the real-time geographic location of your computer or device. This location data is collected anonymously in a form that does not personally identify you and is used only to provide and improve our service. We may obtain your consent on your first use of the service.

Special

To operate the service, we also may make identifiable and anonymous information available to third parties in these limited circumstances: (1) with your express consent, (2) when we have a good faith belief it is required by law, (3) when we have a good faith belief it is necessary to protect our rights or property, or (4) to any successor or purchaser in a merger, acquisition, liquidation, dissolution or sale of assets. Your consent will not be required for disclosure in these cases, but we will attempt to notify you, to the extent permitted by law to do so.

More

Our privacy policy may change from time to time. When we do, we will revise the "last updated" date at the bottom of the privacy statement. We will obtain your opt-in consent for any updates to this Privacy Policy that materially expand the sharing or use of your personal information in ways not disclosed in this Privacy Policy at the time of collection.
