

Viewing Your Child's Activity

Click on the arrow in the upper-right corner of your account and select your child's name to view his or her activity.

1. **Student Activity** displays your child's recent activity.
2. **Enrollments** displays a list of your child's current courses, along with the current grade. Click on the individual course to see detailed assignment information.
3. **Recent Grades** displays graded assignments and items for your student. Click on the individual item to view the assignment.
4. **Overdue** displays a list of course materials your child did not turn in on time.
5. **Upcoming** displays a list of your child's upcoming assignments and events.
6. **Courses** displays a list of your child's current courses. Clicking on the course name allows you to view the course profile as your child views it.
7. **Groups** displays a list of the groups your child is a part of. Groups can be used for extracurricular teams, clubs, and graduating class groups.
8. **Grades** displays your child's grades for all courses.
9. **Calendar** displays your child's upcoming past and upcoming events and assignments.
