

North Cobb High School Senior Parking Spot Painting 2026-27

North Cobb High School PTSA is excited to announce senior students can paint their own parking spot for the 2026-27 school year. Senior students can start their senior year off with a personal parking space they design. **This is not a parking permit.** These spots are reserved for the student during school hours only. Cobb County owns the spots and the spots can/may/will get used during non-school hours by others.

FUNDRAISER: Purchasing a Reserved Senior Parking Space allows the purchasing senior student to personalize their assigned space by painting it. Funds raised will be used for PTSA activities. Reserving and painting parking spaces is a *privilege rather than a right*. This fundraising opportunity will benefit many students, and also provide convenience not previously afforded. "NON-RESERVED" or "General" parking spaces will continue to be available for senior students who do not wish to purchase and decorate a parking spot.

62 parking spots are available by the Arena parking lot and 40 are available by the PAC parking lot. You will have to pick the side when purchasing your ticket. Senior Reserved Painted Parking Spaces are available on a first-come, first-served basis. Once they are gone online, they are gone. You can only purchase through the TicketLeap website and not at the school.
