Dear Oak Middle School Families,

We will be offering a Ski Club for the 2026 winter season. The Ski Club is not a team. All skiers and snowboarders are welcome to join! Registration opens October 3, 2025 and acceptance will be on a first-come first-served basis. The earlier you get your pass the more likely you are to reserve a spot. Please note that we are limited to 100 students.

Dates and Pricing

The Ski Club will be traveling by bus to Wachusett Mountain for six Mondays January 5, 2026 through February 26, 2026 The dates are: 1/5, 1/12, 1/26, 2/2, 2/9, and 2/26. The total cost of the ski club starts at \$315 - \$165 for 6 lift tickets plus \$150 for the bus. *There are other pricing options available - please click [Here](#) to learn more.*

Application Deadline

A reminder that acceptance will be on a first-come first-served basis. The deadline for the application is **FRIDAY, DEC 12, 2025. Price increase on lift tickets is Dec 2, 2025** If the club does reach 100 students then a waitlist will be started.

The Bus

All buses will be leaving and returning from Oak Middle School. The cost of the bus is \$150. If your child will be taking the bus, please bring in a check to the main office for \$150. Include your child's first and last name and Ski club in the memo section of the check. Please make checks payable to Town of Shrewsbury.

Transportation By Car

Parents/guardians will be allowed to drive their child to the mountain for the club. If this is the case, then you will not have to pay the bus fee. However, please notify Caryn Keenan by email at ckeenan@shrewsbury.k12.ma.us and you will receive a confirmation response from me.

Expectations

Please note that all students who join the ski club will be required to wear a helmet. The ski club is an extra activity and any student with inappropriate behavior in school, on the bus, or at the mountain will lose their privilege to ski/snowboard with the group. If this does happen, there will be no money refunded.
