

In Nevada, you can get an abortion-

- Until 24 weeks post fertilization
- Without a mandatory waiting period
- Without parental involvement (if you're a minor)
- Sometimes after 24 weeks
 - To save the pregnant person's life
 - To preserve the pregnant person's general health (can include mental health)

OTHER RESOURCES

- <https://www.reprolegalhelpline.org/> - Information and a legal helpline for patients.
- <https://womenlawyersonguard.org/aboutus/> - Women Lawyers on Guard

Please Note: These resources have been vetted to ensure that all providers listed are verified abortion providers, and do not include Crisis Pregnancy Centers (centers operated by anti-abortion groups whose main purpose is to coerce people seeking abortion to not follow through with the procedure). A person's right to make the decision of whether or not to have an abortion should always be up to the person seeking care and free from coercion.
