

Terms of Service

This Chrome Extension operates on all web pages. The extension allows you to automate the user's manual work for searching, storing and editing emails.

By using the extension you agree to use this Chrome Extension in a legal and ethical way. Further you agree that it is your sole responsibility to ensure that your use of this Chrome Extension is in accordance with any and all legal, privacy, copyright, permissions, restrictions, and any terms and conditions which you have agreed to as an individual or as an organization on any of the web sites on which This Chrome Extension is used.

How we collect information

We collect emails on all web pages that you visit in a browser.

How we use information we collect

This Chrome extension stores the collected information in your browser's localStorage and in chrome.storage. Data is stored until the user deletes it on their own.

The information collected by the user is not transmitted anywhere and is not used by us for personal purposes.

Extensions Permissions

activeTab - Extension is using the chrome.tabs API to get current tab info.

storage - Extension save all extracted emails locally if you need.
