

Email for Department Chairs to forward to their departments

Teachers,

We have an opportunity this year to participate in a professional development opportunity that will support our unique situation at Arapahoe High School. Our BYOD (bring your own device) initiative brings opportunities and challenges to grow alongside our students as we deliver content in a 1:1 environment in 9th grade (and later arriving to 10,11, 12). Arapahoe has a long history of providing outstanding instruction. This professional development opportunity is intended to provide guidance as we move towards instruction in a 1:1 environment.

This PD opportunity will provide:

- | | |
|---------------------------|--|
| Flexible Grouping: | You can work by department, grade level team, paired, individually or other possible options that will support your schedule and/or needs. |
| Desired Outcomes: | The outcomes for this PD opportunity will be individualized to your needs. |
| Style of PD: | Coaching, Modeling, Co-Teaching, Traditional Meetings... |
| Participants: | Teachers of all levels of comfort are welcome. This PD will be individualized to your personal growth needs. |
| Credits: | 0.5 credits - 1.5 credits. This range allows for groups/individuals to be involved at a level that meets their professional needs |
