## **DIY Bucket of Blooms**

This option is for those who want to create their own bud vases for table decor ahead of the event, with garden-style, seasonal flowers.

<u>Includes</u>: each bucket contains a mix of flowers and foliage (approximately 75 stems) that will fill about 18-20 bud vases or 5-6 regular width mason jars

<u>Prep</u>: Aside from the flowers, you will provide everything necessary to create the bud vases for your tables (bud vases can also double as the place cards, instructing guests which table to sit at, then set their vases in the center to create an arrangement, and take the vase home at the end of the event! This can be designed one vase per person, or per couple)

Return Policy: there is nothing that needs returned

Pricing: each bucket is \$145
