

Novelish Privacy Policy

This Privacy Policy explains how information is collected, used and disclosed by the Novelish Team with respect to your access and use of our services through our mobile applications and website. This Privacy Policy doesn't apply to any third-party websites, services or applications that can be accessed through our services.

Any information that is collected is subject to the Privacy Policy in effect at the time such information is collected. We may, however, modify and revise our Privacy Policy from time-to-time. If we make any material changes to this policy, we will notify you of such changes by posting them on our website, through our services or by sending you an email or other notification, and we will indicate when such changes will become effective. By continuing to access or use our services after those changes become effective, you are agreeing to be bound by the revised policy Properly.

Information You Provide

We will collect personal information from you (like email address and birthday) when you create an account. You also provide the following information:

Note regarding international users. Your information will be transferred to and maintained on computers located in the US (or any other country where we operate) and processed there. By providing us with your information, you are accepting and agreeing to that transfer.

Information We Collect

Your Device/Computer. We collect certain information that your mobile device sends when you use our services, like a device identifier, user settings, and the operating system, as well as information about your use of our services through your device. We also collect certain information that your web browser sends when you visit our website, like the IP address, browser, referring/exit pages and URLs, pages viewed, and other such information about your use of our services.

Cookies. We use "cookies" – small data files – to collect this information, which allows us to identify your browser and to improve your use of our services when you access our website. You can reset your web browser to refuse all cookies or to indicate when a cookie is being sent, however, some features of our services may not function properly if the ability to accept cookies is disabled.

Information Collected by Others

We may use analytics providers to help us understand the use of our services. These providers will collect the information sent by your mobile device or browser, and their use of that information is governed by their applicable privacy policy.

How We Use the Information We Collect

We use the information we collect to provide our services, to respond to inquiries, to personalize and improve our services and your experiences when you use our services, to monitor and analyze usage and trends of our services, to send you administrative messages regarding the operation and use of our services, and for any other purpose for which the information was collected.

How to Access Your Information

You can access and modify the information you provided us through your account. If you would like us to delete your entire account from our system, please contact us at help.info.app1911@gmail.com. We will use reasonable efforts to honor your request; however, we may retain an archived copy of your information as required by law and/or for record keeping purposes. Once your account is deleted, you will no longer have access to your message history, preferences or any other information associated with your use of our services. Even after you remove information from your account or profile, copies of that information may remain viewable elsewhere, to the extent it has been shared with others, it was otherwise distributed pursuant to your privacy settings, or it was copied or stored by other users.

Security Measures We Take To Protect Your Information

We employ administrative, physical and electronic measures designed to protect your information from unauthorized access, however, despite these efforts, no security measures are perfect or impenetrable and no method of data transmission can be guaranteed against any interception or other type of misuse. In the event that your personal information is compromised as a result of a breach of security, we will promptly notify you if your personal information has been compromised, as required by applicable law.

Security

The security of your personal information is important to us. We follow generally accepted industry standards to protect the personal information submitted to us, both during transmission and once we receive it. No method of transmission over the Internet, or method of electronic storage, is 100% secure. Therefore, we cannot guarantee its absolute security.

If you have any questions about security on our Website, you can contact us at info.app1911@gmail.com

Notification of Privacy Statement Changes

We may update this privacy statement to reflect changes to our information practices. We encourage you to periodically review this page for the latest information on our privacy practices and Read Carefully.
