

Reading:**Read and answers**

The Masri family and the Haifawi's are neighbours. One day, Mrs. Masri became sick. She stayed in bed. Her elder daughter Sameera is only fourteen years old. She could manage everything except cooking, so the neighbours cook food for them every day. Today, it's Mrs. Hafawi's turn. She prepared a delicious meal. Mrs. Haifawi sent the food with Hadeel. Sameera was very happy and thanked Hadeel and her aunt Nada.

A. Mark the following sentences True or False:
