

WP Sustainability Welcome Block [concept]

Layout options:

Three Column (as used in [Community team](#))

The screenshot shows a three-column layout for a welcome block. At the top is a blue header with the text "Make WordPress Community" and navigation links for "Team Projects", "Handbooks", and "Supporters and Managers". Below the header, there is a "Hide welcome box" link in the top right corner. The main content is divided into three columns:

- Welcome!**

This is the home of the Make Community team for the WordPress open source project!

Here is where we have policy debates, project announcements, and assist community members in organizing events.

Everyone is welcome to comment on posts and participate in the discussions regardless of skill level or experience.
- Get Involved**

If you love WordPress and want to help us do these things, join in!
