

Please add your name to the bottom of the document and create a list of routes ranked from easiest to hardest (your opinion).

Everyone is welcome and encouraged to participate.

The more people and routes, the better. A short list is better than no list.

Feel free to include routes not mentioned yet.

You can also add or modify your list if you like.

I can periodically update the results from any new input.

Questions/comments/suggestions: keith2000@gmail.com

Most up-to-date results are at
<http://www.dip.ee.uct.ac.za/~kforbes/guard/guard.html>
