

# Chemistry Sample Work

## Semester 1 - Chemistry A

| Unit | Title - linked                                       |
|------|------------------------------------------------------|
| 2    | <a href="#"><u>Introduction to Chemistry</u></a>     |
| 3    | <a href="#"><u>The Periodic Table</u></a>            |
| 4    | <a href="#"><u>Solutions, Acids, and Bases</u></a>   |
| 5    | <a href="#"><u>Gases</u></a>                         |
| 6    | <a href="#"><u>Simple Chemical Reactions</u></a>     |
| 7    | <a href="#"><u>Oxidation</u></a>                     |
| 8    | <a href="#"><u>Particulate Electrical Forces</u></a> |

## Semester 2 - Chemistry B

| Unit | Title - linked                                         |
|------|--------------------------------------------------------|
| 2    | <a href="#"><u>Energy in Chemical Reactions I</u></a>  |
| 3    | <a href="#"><u>Energy in Chemical Reactions II</u></a> |
| 5    | <a href="#"><u>Chemical Reaction Systems</u></a>       |
| 6    | <a href="#"><u>Conservation of Mass</u></a>            |
| 7    | <a href="#"><u>Nuclear Processes</u></a>               |
| 8    | <a href="#"><u>Ecology Chemistry</u></a>               |
