Shout Outs

This week I would like to shout out- Kyleigh! Kyleigh works so hard to get her work done and do her best. She is always willing to help friends and offer words of encouragement. Way to go Kyleigh!

Social-Emotional Learning and School Skills

The fine motor craft this week was our gift for mother's day! Please be sure to check their backpack for a small token of appreciation from them. They are fragile so be careful.

Literacy

We have finished all the new concepts we are going to learn this year! We are working on becoming fluent and applying all that we have learned through review games and activities.

We read *Enemy Pie* by Derek Munson. The vocabulary words we discussed were enemy, recipe, squinted, and surprised. We also read *The Sandwich Swap*. We compared the texts and talked about the common theme of friendship.

Writing

The journal prompt Friday was how can we make an enemy a friend. We also planned and did our sunshine writing. We thought of reasons why the sun is our friend.

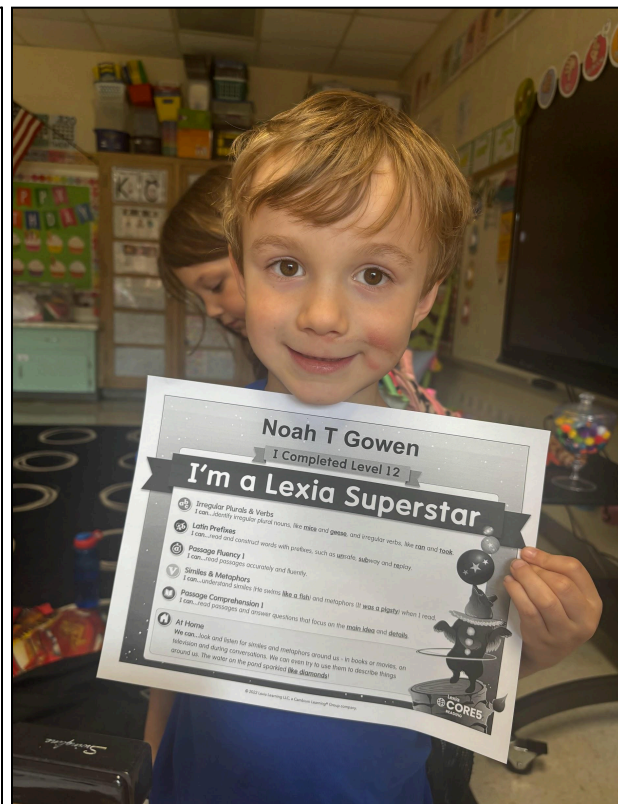

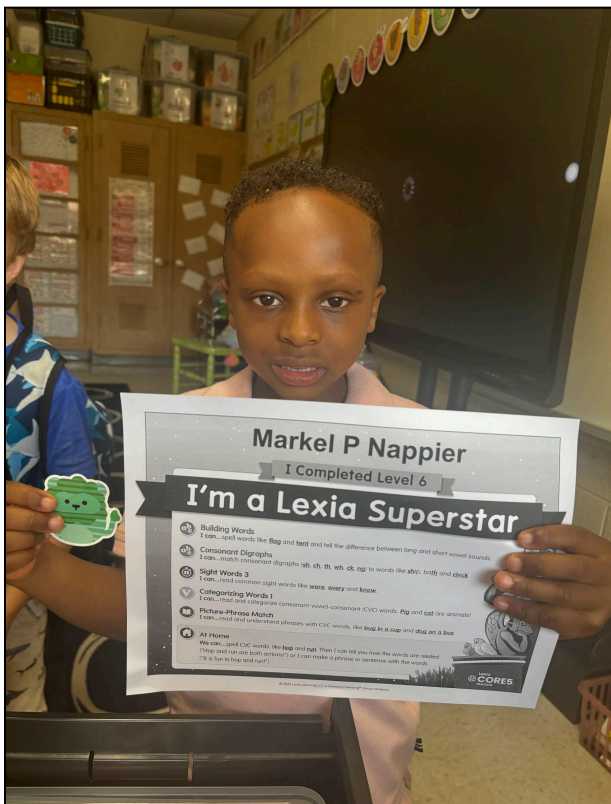

Mathematics

We continue to count to 110 this week! We also continue to count by 5s and 10s. This week we talked about money! We discussed using money to buy things, We focus on the coins: penny, dime, nickel, and quarter. Students should be able to describe the physical

features of each quarter. They should also know that a penny is worth 1 cent, a dime is worth 10 cents, a nickel is worth 5 cents, and a quarter is worth 25 cents. They should know how many pennies equal each coin. Given certain mixed coins they should be able to count up the total amount of cents they have. To help us do this we talked about using the strategy touch points. A touch point is worth 5 cents. A dime has 2 touch points. A nickel has 1 touch point. A quarter has 5 touch points. A penny has no touch points, we just have to know that the penny is worth 1 cent. We also learned that this is the cents symbol ¢.

Content

This week we continued to review plants. We will continue to talk about what we have learned about plants and the parts of a plant.

Have a great weekend! 13 days left until summer break!

FOOD AND DRINK POLICY

We have snack everyday in the afternoon during writing. I ask that you only send water if possible to avoid any mess. We also only have a limited time, so I ask that it only be a small amount of food

LUCKY DUCK

Each day we will have someone be our lucky duck. For that day they will get to lead the line, share, deliver things, feed and water the hermit crabs, choose the seat they want, and anything else that might come up that day. The share is very important as it means that day that get to bring something in and tell the class about it. If they forget to bring something it is totally okay they can always choose something in our classroom to share. In the classroom we have ducks with a number on the bottom that represents each student. At the end of each month we will pull ducks to see who is the lucky duck each day next month. I will record who it is each day on a calendar and share that with you at the bottom of our newsletter. They will always get to be the lucky duck on their birthday. If their birthday is over any break it will be during the week before that break. Just keep an eye out for the calendar!

REMINDERS

Folders with important notes or work are sent home in backpacks every Monday. We greatly appreciate if you can sign it on the correct date so we know you checked it.

All work that your student misses while gone will be placed in your students take home folder. It is up to you with what you do with that however, it is always important to stay caught up. If more help is needed, you can always get in touch with Ms. Dawson.

If you know your student is going to be absent it is best to let me know beforehand so I can do my best to keep your student caught up.

If students are absent a note needs to be sent so we can excuse it.

Each night your student should read to you or with you for around 10-15 minutes. There will be no other homework with maybe a few exceptions. However, there are always opportunity to practice. Contact Ms. Dawson if you need some ideas. Some ideas could be counting, writing numerals or letters, or letters sounds.

CHROMEBOOKS

All Students will be provided with a Chromebook and charger. The Chromebook and charger will be kept at school unless instructed otherwise by Ms. Dawson. We will use them in class to complete work on Lexia, google classroom, canvas, IXL, or Epic.

Thank you for all you do to help your student and for sharing your child with me! I am so excited for the fun we have planned and to have your student in my class! Any questions please reach out!!

Lucky Duck Schedule

You are welcome to bring **one small item** from home to share with the class on your day! Highlighted days indicate that we will celebrate a birthday as well!
