

Roslyn Middle School Athletics

Registration is Now Open For MS Spring Sports

Dear Student-Athletes and Parents/Guardians,

Athlete registration for the middle school Spring season is now open. Please register your child if they are interested in joining any of the teams listed below. If the student is unsure about their participation, please register them, then cancel the registration if they choose not to participate. Tryout extensions will not be granted for late registrations. Middle school sports is a Monday - Friday commitment, when school is in session.

Students who are interested in participating in the interscholastic-athletic program must register through FamilyID, also known as Arbiter Sports, the online registration program. **Registration opens 30 days prior to the start of the season and closes 1 week prior to the first day of tryouts.**

A preseason meeting will be held on Wednesday, March 22, 2023, after the extra period until 3:30pm. At the meeting, the coaching staff will review tryout procedures, team expectations, and other important information. A late bus is available to students at 3:30pm.

Please do not hesitate to reach out to the coaching staff if you have any questions.
