Please answer these in questions in brief point form. E-mail them to Ellen Stevenson stevense@ohsu.edu before your last day on CACH. Be prepared to discuss them during your CACH program evaluation.

- 1) In your own words describe why children need advocates.
- 2) Identify 3 major community health issues that would benefit from child advocacy.
- 3) List **five** local, community-based organizations/agencies you learned about during your CACH rotation, ***two of which you identify and visit on your own (not assigned sites)***. Describe how they work toward the well-being of children.
- 4) Identify three other regional, national or international child advocacy organizations.

5) Please write a paragraph (s) reflecting on what you learned during your community-based rotation. Please include at least one goal you have or change that you will make based on your experience.
