The Parent-Teacher Association (PTA) is a great way to get involved in the school, be informed about what is going on in the school and keep your child on the right path to success! Research shows that parent involvement improves student behavior, attendance and positively affects student achievement.

We would like to take this opportunity to introduce our PTA leaders to all of our new parents.

Mr. Harold Gallego Secretary- Ms.

LaToya Greene

A Message from our Parent Coordinator, Ms. Georgia Katsalis:

Greetings Parents, Guardians, Students and Family Members,

It is my pleasure to welcome you to Flushing High School. During the next four years, please feel free to get in touch with me so that I can help you navigate through areas that you may not be familiar with, such as New York City School

Account (NYCSC), and help connect you to our community-based organizations that provide resources and services for families. Additionally, I can help students with resetting their passwords for their Google accounts.

I am available Mondays- Fridays from 8AM-3:30 pm. If you have any questions or concerns, please feel free to contact me at (718) 888-7500 extension 6101, or at gkatsalis@schools.nyc.gov.

For all that celebrate - Happy Rosh Hashanah and Yom Kippur!
