MINUTES APPROVED FOR NOVEMBER 15, 2022

Ms. Connie Smith made a motion to approve the minutes as presented. The motion was seconded by Mrs. April Fowler, and passed unanimously.

APPROVAL OF CONTRACTS

After reviewing the proposed personnel contract list Mrs. April Fowler made the motion to approve all contracts as presented. A second motion was made by Dr. Connie Banks, which passed unanimously.

DIRECTORS REPORT

Mr. Lovelace indicated that the Swofford house project would not be ready/complete in time for an auction at the end of the school year due to supply chain issues, and asked that the next board meeting be moved to a lunch meeting to better fit schedules, and avoid a Saturday morning meeting, as well as be closer to the timeline for the state to approve and disseminate their budget. At that meeting he would provide the board with a better idea of when the house would be completed. Mr. Lovelace announced that both our Introduction to Teaching Classes will now be Dual Enrollment through Spartanburg Community College. Mr. Lovelace then updated board members on the success of the 2023 Swofford Car Show and provided board members with dates for upcoming campus events.

ADJOURNMENT

Mrs. Brenda Rogers asked if there were any more questions, and when there were none, she pronounced meeting was adjourned.
