All purchases of supplies, materials, equipment, and contractual services in excess of \$25,000, including those of individual schools, shall be based on competitive bids.¹ These bids shall be solicited by advertisement in a newspaper of general circulation within the school district. The purchasing agent shall advertise for bids and receive quotations. The advertisement may be waived by the purchasing agent in an emergency.²

All purchases of \$25,000 or less, including those of individual schools, may be made in the open market without newspaper notice but shall, whenever possible, be based on at least three (3) competitive bids.²

The lowest and/or best bid shall be accepted, provided the purchaser reserves the right to reject any or all bids or any part of any bid, and if applicable, to accept the bid which is best as evidenced by reasons relative to the purpose of the purchase.³ Any bid may be withdrawn prior to the scheduled time for the opening of bids. Any bid received after the time and date specified shall not be considered.

The bidder to whom the award is made may be required to enter into a written contract.

The practice of splitting an order or dividing items to be purchased in order to avoid the use of bidding or other purchasing procedures is strictly prohibited.

EXEMPTIONS FROM COMPETITIVE BIDDING

Contracts for legal services, educational consultants, services from an insurance provider, and similar services by professional persons or groups of high ethical standards shall not be based upon competitive bids but shall be awarded on the basis of recognized competence and integrity.⁴

Purchases of fuel in bulk amounts that would exceed the bid limits may be made in the open market without public advertisement or competitive bidding. Whenever possible, however, at least three (3) documented quotes shall be obtained.⁶
