Kate, it's been so wonderful to work with you. I have enjoyed watching you grow and get stronger as a community manager immensely. You tackled some incredibly challenging tasks with grace, speed and determination. And there has been so many positive, silly moments...too many to list here. Ha ha!

Thanks for being an awesome 7 Cups co conspirator! I am going to miss you!! But I know you are leaving stronger than you arrived and I'm excited to see what you do next! You'll always have a home at 7 Cups and I am routing for you! *high kick* <3

Oh gosh, I have so many memories. Cupping in class so much that Kate told me to post every day. Making sure she had her 7 cups of tea every day and then eventually she made me have 7 cups of tea a day. Microwave tea doesn't count! I also enjoyed the pics of Weezy used as bribery when I caught Kate cupping on the weekends. I'm going to miss you Kate, I hope you still come to visit us <3

"Thank you so, so much to Kate for all of her incredible work and for all that she has contributed to this wonderful community. I know that as Community Manager, she must have been unbelievably busy trying to balance her work on 7Cups.com as well as living her own, personal life. With that being said, she always found a way to get back to me for any of my hundreds and hundreds of questions that I had for her so thank you, Kate. You have really helped me a lot in my growth as a Listener and I am so grateful.

Wishing you all the best for the future and hope your new job loves you just as much as us because you deserve all the love in the world."

Kate, you're such a wonderful leader of the whole community. You've always replied to me in the PMs and have been so supportive of my posts in TSEBI as well. I cannot believe that you're about to go away but before that I'd just like you to know you're the best CM who has been so friendly and understanding throughout my and many other listener's journey. I just want to tell you that you've made me feel safe and heard in the community and in my roles. You're an amazing person to look up to. Goodbyes are hard specially for you, as I've been used to see you as a CM who's always around. I hope this goodbye only means farewell until we meet again! 🌈💖 *huggles* We loaf you!

Platy

Oh, dear Kate Llama! I shall miss you so much! I'm not sure if I ever told you, but back when you were I think a 'regular' (L), I found you somehow:) and we were talking about just stuff like chat stuff not like serious things. Anyway, that was sometime in 2017; and here and there since then. I think it was after Thanksgiving (2017), yet before Christmas, I had been taking pictures with my phone of llama things in the stores. At Target for sure, and another one or two. Llamas on kitchen towels, llamas on socks, a llama couple as salt and pepper shakers:), I think I even found a llama cookie jar! So, at some point late in the season, I found and purchased a present for you, Kate. Even though I did not have your address and only vaguely knew where you live. So, I'll 'give' it to you now, okay? It is a fleece blanket/throw. It is 50in x 60in. The main color - background - is gray; the llamas are white, and peach, and dark gray, and lighter gray that is darker than the background :) There are some other smaller things too - cacti which are a dark blue/navy, blankets for the llamas ... but as far as I can tell - no people. I'd take a picture of it to send you, but I'm still not quite sure how to do that. So, there you go, do you have a picture of it in mind? I present to you this fleece with llamas ... even as you depart from us. This Platy will miss you much. I'm not sure why you are going, but I'll pray your future endeavors will bless you and those you work with (co-workers and customers/clients) at least half as much as you have blessed us with your presence here at 7cups.com. Take good care of you, friend Kate-Llama! With <3 from your friend Platy ((gives you hug)) ((gives you hug again)) ((gives you lots of hugs!!)) <3 :)

Lorraine I think I have said a lot over the last week. This is a sad day. I'm really excited and happy for you though! My final words will be these "Never forget what you are, for surely the world will not." - Tyrion Lannister. Now lets forget what he was trying to say with this hahaha. You are an incredible person with so much heart and passion. I know you'll take that with you. You will be remembered for all the amazing ways you have touched our community <3

I have no name Bye.

River
Kateeeee <3 You are awesome! I hope you know that.

Your kindness, warmth, candidness, openness, have all inspired me from day 1! With 2 teens, I know how important a safe place is to experience that transition and your work with that community has been extraordinary. Thank you for always being so willing to share advice and ideas, for being so funny and warm to work with. So proud of you at same time so bummed for us, but glad we'll still get to have your talents part-time! You're going to rock your new gig and I can't wait to see everything you accomplish Kate!! XOXOXO
