

M100 Seniors,

We are so thrilled for an opportunity to celebrate you! Our senior recognition night will be on Friday, November 3rd, during halftime. You and your parents will be introduced on the field as you run through our traditional senior sign. The final performance of “Thunderbolt and Lightning” will be immediately following the game. You may choose to wear your senior t-shirt and letter jacket with your bibbers for halftime; uniform tops will be worn for the performance after the game.

Please pick up your rolled sign paper in the band hall. Decorate the full 3ft x 2ft space, but leave a 2-inch border to allow for taping. Bold, large font works best for names. Be creative with your design, but refrain from political or inappropriate images.

Here are some important dates to remember:

October 26th - Senior sign instructions and paper sent home with students.

October 30th - All senior signs due in the band hall.

October 31st - Sign construction begins at 5:00pm in the band hall.

November 2nd- Thursday night practice field rehearsal with seniors and parents 6:00-6:30pm.

Contact Liz Adams (254)721-1397 if you need additional information.
