

E- TWINNING PROJECT BE YOURSELF!

Voditelj projekta: Iris Zorić

BE YOURSELF

Objective

The aim of this project is to promote the **creativity** and make students reflect about their **uniqueness** and what makes them special.

What do they need to do?

Students (6 TO 9 years old) need to **make a short video** introducing themselves where they need to express their qualities and what makes them unique and special. It is very important that students appear with their face covered by a mask or something.

When?

We can submit projects from October 30th, 2022 to November 21st, 2022

Voting and winning

From November 22nd till November 24th (included), we will open a period to vote for the three best videos. The **winner** will be awarded with a kit of board games for their students to enjoy together!

If you would like to join us, email us at:

lorena.sarabia2210@gmail.com

PLEASE: As I am doing several etwinnings, specify the title of the project you would like to participate into.

**WE WOULD LOVE TO COUNT ON YOU TO
MAKE THIS PROJECT. OURS!**

AKTIVNOST 1:

Učenci su u projektu Budi svoj! trebali promišljati o svojoj originalnosti i posebnosti te uvidjeti što je to točno što ih čini posebnima te su prvo napisali sastavke o sebi koristeći predloške na slikama.
