ORDERING YOUR CUSTOM KIT

Order your kit and any additional science materials you need by following the steps below. If you have questions about the ordering process, please call Customer Service at 800-334-5551 (8am - 8pm, ET, Mon-Fri).

1. Click the **Add to Cart** button on this page when you're ready to order your kit.
 2. On the Shopping Cart page, click the **Checkout** button.
 3. On the Login/Registration page of Checkout, select the second option under **New Customers**, which reads: *"Choose this option if shipping products to a home or business and are paying with a credit card...."*
 4. Proceed through Checkout to enter your shipping address, payment information, and submit your order.
 5. After completing your order, you will receive emails confirming the order and when we ship the kit.

DistanceLearning@Carolina.com

 **Lab Kit Support**

1.866.332.4478 (Mon–Fri, 8 AM–5 PM ET)

 **Technical Support (Now 24/7!)**

1.877.320.6465

Questions About Using the Kit, Setup, or Techniques

Please contact your instructor with questions related to the use of the kit. If you have technical problems, please use the email address below and a member of our Distance Learning Support Team will contact you within one business day. When you contact us, please mention that you are shopping for a Distance Learning Kit, and indicate the course and Carolina item number for your kit (found at the top of this page).

- **Email:** distancelearning@carolina.com

Carolina Distance Learning™ Return Policy

Carolina Distance Learning science kits are specially designed to meet individual course requirements. The kits are produced to meet specific learning objectives as prescribed by the college or university and are not returnable.

- This item is only available from Carolina Biological Supply Company.
- Excepted Quantity - This product is/contains a DOT regulated hazardous material in an excepted quantity. This does not incur a hazardous materials fee. Orders shipping to HI and AK are subject to review and may incur additional shipping charges.

Important note from your instructor: Please order your kit as soon as possible to allow time for shipping via Standard Delivery and avoid more expensive shipping options! Each student must have their own kit—materials cannot be shared.

- Students that are located in **Alaska, Hawaii, Internationally**, or via an **APO/DPO/FPO** address please contact our Distance Learning Department at 866-332-4478 or via email at distancelearning@carolina.com.
