

St. Paul's Intermediate
Fundraising Policy
2025-26

The students and staff of St. Paul's Intermediate shall be permitted to fundraise for activities and/or events. As per NLSchools policy, all fundraising activities must be approved by the School Council. Proposals for fundraising events should be submitted through the teacher sponsor to the school administration. The school administration will present the fundraising proposals to the School Council at their monthly meetings.

Activity Specific Fundraising

- All clubs, teams, or groups that intend to raise funds through various means should submit a written proposal to the school administration within thirty (30) days of the intended fundraiser.
- All funds raised will be accounted for and expenditures made through the school's financial ledger (e-Funds).
- All fundraising methods must comply with NLSchools Fundraising Policies that may be applicable. Fundraising methods requiring lottery licenses from the Provincial Government must be approved by the school administration.
- All fundraising activities should provide a service or a product. The quality of the service and product must be of a high standard.
- All products purchased with funds raised through school sponsored fundraising will remain the property of St. Paul's Intermediate. This must be made clear to those fundraising before any money is collected.
