Jan 31

- Share ideas and drafts: Rewards System tutorial
 - Intro: The community recognizes contributions, but how to measure them?
 - All robots are different, they all contribute
 - A contribution gets recognized and logged
 - The log gets to a roundtable, where 3 robots QUANTIFY each contribution
 - We see the Rewards Dashboard UI
 - Dive into instructions on how to use
 - GET STEPS FROM REWARD BOARD/FORUM POST
 - Zoom out on quantifiers, reverse funnel and get a general view of the DAO
- For next Monday:
 - Make list of inserts needed
 - Start working on dialogues for voiceover

Jan 24

- Rewards system check-in
 - First steps for drafting a script
 - Characters/events/situations
- Special Ops:
 - Brainstorming for TEC Launch: the ABC opens
 - What content can we generate?
 - TEC launch is a priority this week! Cover as much as possible.

Jan 17

- Study topics check-in
- Production workflow presentation
- Rewards System check-in

Jan 10

- Study topics check-in

- To-Do List
 - Define workflow for productions (miro board)
- Rewards System
 - Sourcecred
 - Praise

Jan 3

- Web3 Onboarding
- Dework
- Gnosis safe

Dec 20

- Introduction What are we expecting? and first steps?
 - Team Demo Reel ASAP
 - Build a clear production workflow
 - Concepts:
 - Reward system
