The Rose Quest

Our mission is to provide new personal care and hygiene products to our community members who are in crisis, struggling with low income, or who are experiencing homelessness. For ten years, our dedicated volunteers have been fulfilling this mission and making a significant difference in our community under the leadership of our founder, Rose Wilton.

While we celebrate twelve years of service, The Rose Quest has grown into a Registered Charity and is moving toward becoming a full-time operation. These are ambitious goals and our Board of Directors is very excited about our expansion plans. There is an incredible amount of work ahead of us and we would like you to help. We are asking you to become a part of this exciting journey and to help shape The Rose Quest's future.

We invite you to join our Quest, and become a volunteer if you share our commitment to treating members of our community experiencing crisis, low income, or homelessness with dignity and respect. We encourage you to volunteer your energy and heart to help those most vulnerable in our community.

Joining our team means volunteering to help us with fundraising activities and events, as well as being an advocate for The Rose Quest in your daily lives, and spreading the word about our work. We will also need help with other activities including kit making and the distribution of donations. All we really expect is a commitment to roll up your sleeves and help however and whenever you can.

Please consider joining The Rose Quest and help those in need regain their sense of personal dignity, health, and wellbeing. We look forward to hearing from you and working together to build a stronger, healthier community.

Thank you
