- Tentatively: 10/31/24

## Raffle Grand Prizes

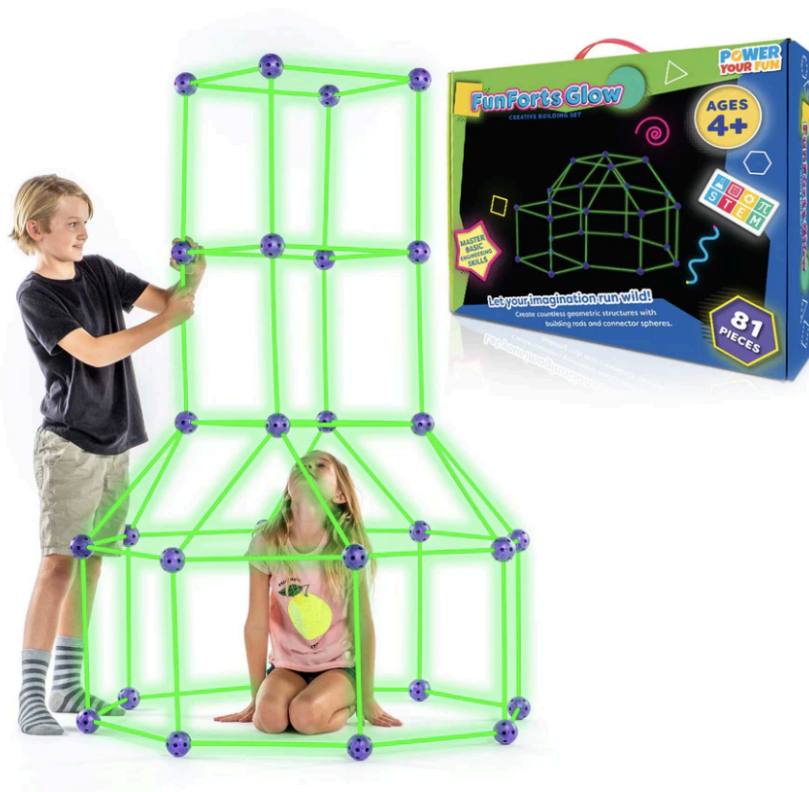

### Gotrax Hoverboard with 6.5" LED Solid/Off Road Tires

- POWERFUL RIDES-ON - GOTRAX Hoverboards get their popularity from innovative design and reliable quality. Features Dual Brushless Motors, and a Max Speed of 6.2mph. GOTRAX Hoverboards can support up to 176 lbs.

- EXTENDED PLAYING TIME - GOTRAX Hoverboards is extremely energy efficient using a 25.2V 2.6 Ah battery it can ride up to 5 Miles on a single charge. Hoverboard equipped with a self-balancing control system to go straight, make a turn, rotate in place and can be operated at will. Travel distance depends on the user's weight, terrains and so on.
- SAFE HOVERBOARD - GOTRAX hoverboards have passed a series of strict system of tests, including electrical, battery and charger tests, and approved by UL2272 safety certification to ensure safety. Each GOTRAX hoverboard back is affixed with a unique UL certification label.
- 6.5" LED WHEELS - The GOTRAX Hoverboards feature cool LED light wheels in the shape of the GOTRAX Logo, it can light up at night. The 6.5" led wheels create a smooth and comfortable ride and makes the hoverboard easier to control.
- A BIG SURPRISE - This hoverboard isn't just for kids! It can be a thoughtful and unique present for your friends and family. It's a fun surprise. You can even enjoy a fun race with your friends in the park.

## HUGH Glow in the Dark Fort

Glow in the Dark Fort is a fun building activity that allows curious mind children to master basic engineering skills with friends and siblings. Build endless kids, play tent structures, forts for kids, play tunnels, and more!

### CONTENTS

- 53 x 15.75" L Glow in the Dark Connector Rods
- 28 x 2.4" D Multilink Spheres
- Instructions Manual with Building Guide

## 215 Piece Mega Marble Run with Motorized Marble Elevator

- Enjoy the classic MindWare Marble Run—but BIGGER and BETTER than ever! Build towers and tracks that twist, with brightly colored chutes, drop-throughs and spinners. Pieces stack and click together easily to create hours of engineering fun. The huge assortment of tube pieces lets you build towering runs that reach for the sky.
- This kit includes: The Mega Marble Run set with over 200 track pieces and 40 marbles!
- From track splitters for alternating paths, a jump slide to launch marbles through the air, to funnels, wheels, rickety rails and marble catchers, it has a huge variety for hours of play and experimentation.
- The Motorized Marble Elevator with adjustable chain, sturdy base and marble loader that connects easily to other marble run pieces. This expansion also includes two marble-catching bases, a roller rail spiral and a ricochet ramp.
- Exciting Marble Run play ramped up with a working elevator!
- Teaches logic, creative play, basic physics, fine motor skills and problem-solving
- Set up multiple entry points to create an exciting marble race with friends and family
- Comes in a sturdy box with carrying handle for easy storage and travel
- All pieces are compatible with the original Marble Run

## [Drone for Kids with Camera](#)

- Specially designed for children flying a drone. This video-capable drone is great for kids to learn how to fly a drone, also it would be a great gift for a child's Birthday or Christmas.
- This kid's drone has an adjustable camera. It can be manually oriented and allows you to easily capture pictures and record video.
- It is very easy to fly. You can let your kids, even without any drone flying experience, have a go without any worries.
- The drone includes a safety guard on the propellers which prevents injury from the spinning blades
- This drone is safe for kids to use.

## [Sqoosh2Poof Dog](#)

- The adorable Sqoosh2Poof family of giant plush stuffed animals will quickly become your child's best friend and allow them to explore their imagination.
- It's all in the unboxing experience! You won't believe that we squeezed this giant plush into this tiny box until you see it for yourself!
- 3-step POOF-proof method to ensure your jumbo plush has reached its full POOFtential once out of the box! All you'll need is a dryer or a warm spot in the sun! Watch the how-to video to see the magic unfold!
