Maps

Quests

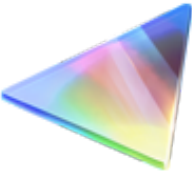

The long road 	Go to the Mirage Garden.	
Safe shelter 	Find shelter in the Mirage Garden.	

The way forward 	Find out where the signpost lead in the Mirage Garden.	You need to find 2 signposts. 
Rust of ages 	Clear the rust from the hinges of the Gates to open them in the Mirage Garden.	 To clean the hinges you will need: coal (x10) and ropes (x4) Reward: Scratch cards for Eric Show's House of Games (x3)
Square of silence 	Clean the Fountain in the Mirage Garden.	 To clean the Fountain, you will need: wire (x2), buckets (x5)
	Clear the Lichens from the square.	 You need to clear the Lichens from the square (x9, 45 or 35 energy per one)
Ancient artifact 	Place the Statues near the Fountain and check the composition in the Mirage Garden.	 To move forward and find one statue, you need to open the gate (5 energy).  To clean the statue, you'll need fabric (x3) and water (x2). After that, you can move the statue to the selected area near the Fountain using the move tool.

		  To find the second statue, you'll need to open the gate. To do this, you'll need: fresh grass (x15), wires (x10) and saws (x3).  Find and clean the second statue using fabric (x2) and water (x3) and move it to the selected area near the Fountain using the move tool. To find the third statue, you need to open the gate. You'll need chains (x3).  Find and clean the third statue using fabric (x1) and water (x3) and move it to the selected area near the Fountain using the move tool. The statues must be placed on specific spots. To check if a statue is placed correctly, click on the Fountain. When all the statues are placed correctly, you need to click on the Fountain and check (10 energy).
Mysterious guest 	Find the source of the noise in the Mirage Garden.	 To move forward, you need to repair the destroyed bridge (40 energy).
Gallery of seekers	Inspect the Statues to take Notes in the Mirage Garden.	

		To move forward you need to clear the arch of vines: saw (x3) + rope (x5).  In total, you need to find 4 statues and inspect them (10 energy per each). To find 2 more statues, you will need to clear another arch of vines: saw (x3) + rope (x5). 
	Compare the Notes with the data on the Info Board.	To compare the Notes, find the Info Board. 
On the furball's trail 	Find the runaway cat in the Mirage Garden.	 To move forward, you need to clean the gate from rust: coal (x10) + rope (x4). 
Unfinished faces 	Inspect the Workshop in the Mirage Garden.	 Inspect the Workshop (10 energy).
	Tidy up the Stonecraft Table.	 Tidy up the Stonecraft Table: fabric (x2) + water (x5).
Life-giving liquid 	Repair the Irrigation System in the Mirage Garden.	 To move forward, you need to open the gate (20 energy).

		 To repair the Irrigation system (x3), you need Metal parts (x3). You can find them in the Toolboxes nearby (x3).  
Priceless archives 	Find the Cartographer Tower in the Mirage Garden.	
	Study the Archive Documents at the Cartographer Table.	 Find Archive Documents (x6).  To study the Archive Documents at the Cartographer Table, you need to assemble a page. Correct answer: 
Perfect statue 	Find the Seeker Statue in the Mirage Garden.	 To move forward, you need to build a bridge (15 energy).

		
Knowledge in the dark 	Go to the Cave of Wisdom.	
Age-old records 	Study the Tomes of Knowledge in the Cave of Wisdom.	 Find and study the Tomes of Knowledge (x3).  To study one Tome, you will need a Lens, which must be crafted on a Workbench using Lunar Crystals (x50) and Stones (x15). See Crafts in the location.   Lunar Crystals can be found in the Cave of Wisdom (25 energy per crystal, which gives 25 Lunar Crystals).  
Finishing touches 	Complete the Seeker Statue in the Mirage Garden.	Head to the Mirage Garden. The Seeker Statue must be completed in 2 stages.  For the first stage you will need: Sculptor's Tools (x3), boards (x4) and nails (x6).

		To move forward and find the Sculptor's Tools, open the gate: coal (x10) and ropes (x4).  Sculptor's Tools can be found in Toolboxes (7 in total).  For the second stage you will need: Sculptor's Tools (x4), stones (x15) and wire (x5).
	Remove the overgrown Shining Flower around the Seeker Statue.	 Remove the overgrown Shining Flower around the Seeker Statue (x5, 50 energy per each). Reward: pocket singularity (x2) and emeralds (x5).

Major goal

Treats for birds 	Feed all the Peacocks in the Mirage Garden.	Find and feed all the Peacocks (x10). To feed one Peacock, you will need rye (x10).  Reward: special gift
---	---	--

Tasks

Light all the Flower Lamps in the Cave of Wisdom. They will make it easier to navigate!	 You need to light 5 Flower Lamps. To light one Flower Lamp, you will need: hay (x15) and 15 energy.
Clear all the Weeds in the Cave of Wisdom. They change the humidity level and damage the archives.	 In total, you need to clear 14 Weeds (40 energy per each).

Check all Compasses in the Cave of Wisdom. They need to provide accurate data!	 In total, 4 compasses need to be checked (15 energy per each).
Find and inspect the Chests in the Cave of Wisdom. The owners aren't coming back for the treasures.	 Find and inspect the Chests (x5).
