Community Connections Coffee for all parents and carers
Military Coffee Mornings 2023/24

Dear parents,

As part of our Parental Engagement we are going to run in cooperation with the Moray Council Family Learning Team monthly events in the Community Connection Room of our school. On every first Monday of a month (changed dates for holiday months) we will have drop in sessions for all interested parents on different aspects of Health and Wellbeing and other interesting areas.

On every first Thursday of a month (changed dates for holiday months) we are hosting a drop in coffee morning for all military parents.

We are now also offering a coffee morning to support with anxiety once a term.
