Hello friends,

Thank you for finding your way to the 2023 Transgender Seminarian Cohort's resource list! These resources are ways to help you connect your liberatory work to your spiritual and religious practices, explorations, and ways of being. There are a wide variety of different organizations and experiences represented on this list and we hope you'll find the things that resonate to you.

Cohort members shared books and online materials that have been a part of their reading, learning, and growth as developing transgender religious leaders. Please feel free to peruse what has grown into an extensive bibliography. You'll find all kinds of books, from poetry to academic, we hope you find stories and books that you can find connection within.

Much gratitude to each of you,  
2023 Transgender Seminarian Cohort
