

# ASPEN GROVE

## BIBLE CHURCH

As we continue to focus on a Psalm each month, we will be singing a song based primarily on Psalm 62:2, which is also our memory verse for the month. I encourage you to spend some time meditating on this verse throughout the month. As you do, I hope you are encouraged by the simple, yet important truth that it contains.

In this verse, the psalmist calls God our rock, salvation, and fortress. In essence, these words all combine to express that God is dependable. As a rock, he is not like a small stone we might hold in our hand, but a mighty rock that could be the foundation for large house. Our salvation refers to both his power and willingness to save. And as our fortress, he is our place of safety and refuge. This understanding of who God is gives us great confidence that no matter what happens, we are secure in him.

I love the image that comes to mind in the declaration that “I shall not be greatly shaken.” Sometimes, life can seem so volatile and chaotic that it might seem like we are being shaken to our very foundation. But when we run to Jesus, who is our rock and salvation and fortress, we can be certain that nothing can move us. We are secure in him, no matter what!

## Current Sermon Series

As we continue to make our way through the Gospel of John, we are considering the words of Jesus to his disciples in the hours leading up to his death. In these chapters commonly known as the Upper Room Discourse we are discovering important truths about the work of the Holy Spirit, the comfort available to us when we are hurting, and the content of Jesus' prayer for believers.

We hope that you will plan to join us this week for services. It is always a joy to gather together in worship and fellowship. If there is something that we can be praying about, please reach out to let us know. May God bless you this week and we look forward to seeing you on Sunday!
