

Hello! This is a document meant to foster sharing of strategies for purchasing items for EAL/ESL/ELL collections in academic libraries in the U.S. and Canada. Please add your advice and share your name/contact info if you wish, along with additional headings as needed. For questions about the document, please contact Chelsea Nesvig, cnesvig@uw.edu.

Purchasing leveled/graded reader strategies

- Direct from publishers
 - [Penguin Readers](#)

General strategies for collection development

- Less focus on western literature titles

Other strategies/information to share?
