Ira Wentworth, Superintendent

INDIAN VALLEY MISSION STATEMENT

Working together to personalize a rigorous standards-based learning experience.

*****Note: All Board Meetings Will be Tape Recorded*****

The Indian Valley Board of Education is an elected group of community members. We meet in open session so that the public may see how decisions that affect the students, staff and residents of Indian Valley are made. These meetings are not public meetings, they are meetings held in public. This Board of Education, pursuant to board policy, encourages communication with the public at its regular meetings. That time is set aside as “public participation” in our agenda at each regular Board of Education meeting per Board bylaw 0169.1. Due to time restraints public comment must be made during the “public participation” portion of our regular meetings. Although we refrain from entering into a dialogue or debate with the public, please be assured that comments and concerns are heard by both the Board and Administration.

The primary functions of a Board of Education are as follows:

1. Introduce, review, and assure implementation of Board policy.
2. Hire and evaluate District Administrators.
3. Establish and monitor appropriations of the district’s financial resources.

As a representative body, we encourage comments and ideas to be communicated to staff, administration, and board members for the betterment of our school district and community.

In order for the Board to fulfill its obligation to complete the planned Agenda in an effective and efficient fashion a maximum of 30 minutes of public participation will be permitted at each regular meeting. If several people wish to speak, each person will be allotted 3 minutes until the total time of 30 minutes is used. Each person addressing the Board will give his/her name and address. During that period, no person may speak twice until all who desire to speak have had the opportunity to do so. Persons desiring to speak can indicate their desire by filling out a blue card and presenting it to the Board President prior to the opening of the meeting.
