## Honors/AP Agreement

### Required if requesting H/AP courses

*I understand that H/AP courses are rigorous. I have thought carefully about taking this coursework and commit to higher level work. I understand I may not be able to drop the H/AP classes, regardless of the grade I am earning.*

## Course Request Verification

*I have made my selections thoughtfully and understand that course changes are not considered without an extenuating reason. Changing one's mind about a course is not sufficient reason for a schedule change, nor is getting a lower grade, a job or sports. Staffing allocations are determined based on course requests.*
