Interim Reports

Interim reports will be sent via email on Friday 9/25. They will be encrypted as confidential, and parents will need to use the directions in the link below to open their child's report. This quarter, we will be giving one comment for Math and one comment for ELA and not including grades until the end of the quarter. At that point, you will receive grades from the entire first quarter, which ends on 10/22.

Open House

On September 30, we will host open house for parents to receive information and updates from the 4th grade teachers. We will also give parents an opportunity for a Q&A session at the end of the open house.

We will host the open house from 5:30-6:30pm (if needed) and MS Lamm will be hosting from 5:00-5:30 for AIG and SSA parents.

We will post the live link on our Class Dojo closer to the date so be on the lookout so that you don't miss the session!

What We're Learning:

Math - Students are working on Area & Perimeter to finish Unit 2.

Social Studies - Students will learn about the History & Geography of NC.

ELA - Students will continue reading "Love That Dog" and studying "what makes a poem a poem" and "what inspires Jack to write poetry"
