

## **P2120 Use of School Facilities**

The public school buildings are provided primarily for the regular program of Manchester Community Schools, and they must be maintained at all times in a satisfactory manner for this essential purpose. The public schools ought also to serve as a community center for the promotion of the cultural and educational life of the community.

In furtherance of this purpose, the use of the public school facilities outside of school hours may be granted for worthwhile religious, educational, recreational, civic, and cultural activities as freely as is consistent with the statutes, the primary purposes of the schools, and the rules and regulations of the Board of School Trustees. Such activities shall be sponsored by a responsible citizen or group of responsible citizens and pertain to the general welfare of the community.

See School Facilities and Building Agreement form (F2120) to request facility use and to obtain fee's, regulations, and procedures for the use of school facilities.
